HEALTHY KIDS
COMMUNITY CHALLENGE
HASTINGS & PRINCE EDWARD

Dear Parent or Guardian,

The Healthy Kids Community Challenge Hastings Prince Edward is Seeking Your Input!

The Healthy Kids Community Challenge is a community-led program that encourages partners from different sectors, including municipalities, public health, education, recreation, and local businesses, to work together to promote the health and well-being of children ages 0-12. For more information about the Healthy Kids Challenge, please visit www.healthykidsHPE.ca.

Parents and guardians of children ages 0-12 living in Hastings and Prince Edward Counties are invited to participate in this survey (see link below) to help guide local planning for the Healthy Kids Community Challenge Hastings Prince Edward and its partner organizations. You will be asked about your family's current ability to make healthy lifestyle choices. You will also be asked for ideas to improve local resources, programs, and policies that could make it easier for you and your children to access and consume healthier foods and beverages.

Survey Link:
https://www.surveymonkey.com/r/HPECfood

This survey will take approximately **5-10 minutes to complete**. Your participation in the survey is voluntary and you may exit the survey at any time. However, please complete the survey in one sitting. This survey will close on **October 24th, 2016**. All information you share will be held in confidence. Those who complete the survey will be entered into a draw to win one of two prize packages from the Healthy Kids Community Challenge.

All data collected will be stored in a secure computer file and only accessible by the research team conducting the survey. All individual responses will be anonymous and compiled into a summary report. This report will be shared with partner organizations and on our website in January, 2017.

Thank-you for your interest in helping us to best meet the needs of our community!

Kindest regards,

Emma Pillsworth
